

Official Player ADDITION/RELEASE-REQUEST FORM

This form MUST be in the State Office and APPROVED, prior to player participating with the new team.

Addition of Players: If a player has participated with an All World Sports team in the current season, the player **MUST** be released from the current team prior to participation with the new team. Players that are rostered on a team that has qualified for Championship play cannot be released in the current season.

Teams must have open spaces on their roster to allow for additions. Released players do not open spots on the roster.
